

HELP HAITI

With Compassion

Today, as the Church, we have a tremendous opportunity to help the victims of the earthquake in Haiti. This is our opportunity to step up to our unique calling:

God can use our church to rebuild the Church in Haiti

We have decided to partner with Compassion International to reach out to “the least of these.”

As a church we can:

- Pray fervently for strength and endurance. Compassion staff and church partners are working as they continue to search for their own loved ones and the children they serve.
- Give, knowing that Compassion works through the local church in Jesus’ name. Funds address immediate needs like clean water, food, medical care and shelter, then rebuilding as soon as it’s possible.
- Share the need with others and ask them to respond.

“Though the mountains be shaken and the hills be removed, yet my unfailing love for you will not be shaken nor my covenant of peace be removed,” says the LORD, who has compassion on you.”

— Isaiah 54:10 (NIV)
